

FRIENDS OF Mahara Autumn 2018

GREETINGS TO FRIENDS OF MAHARA

Our next Friends' event promises to be very exciting. It will be a special event to celebrate Frances Hodgkins' birthday and to update us on the redevelopment plans. Supporters of the Mahara Redevelopment project will be invited to join us.

Art historian Pamela Gerrish Nunn will speak about Frances Hodgkins and Les Holborow will talk about the redevelopment.

If you didn't make the opening and haven't visited the Gallery recently, this will also be a good time to see the lovely exhibition by our local ceramic artists Anneke Borren, Pamella Annsouth and Jenny Shearer.

Please invite any of your friends who are interested to join us for refreshments and the talks.

An RSVP to the gallery helps with catering
