AUTUMN 2017

GREETINGS TO FRIENDS OF MAHARA

The next Friends Event will be our last for the Gallery Year July 2016 - June 2017. We have enjoyed some very interesting speakers and I have a lot of people to thank.

Thank you to our number one Friend, Gillian Lady Deane. It is great to have support from Gillian and Sir Roderick.

Thanks to those who attend our events and also those who support us financially but are unable to attend.

Thanks to the small band of workers who help organise our events. Their hard work is much appreciated. Last but not least, many thanks to our wonderful gallery staff, Janet, Angélique and Amanda.

Our speaker at our next event is Jil Hemming, environmental game designer. Jil will talk about turning the science of pollination into game play for her new board game 'Flight of Pollen'.

The Friends organisation is very important to Mahara Gallery as you become an ambassador for the Gallery. It is particularly important to demonstrate local support at this time of redevelopment so please encourage your friends to visit the Gallery and maybe to join up as a Friend of Mahara.

Best Wishes.

Jan Nimmo
